Question 15: The RFP states that “The selected vendor will be precluded from bidding on, participating in, subcontracting, directing, advising, or otherwise having any involvement in any resulting RFP’s”. Most States prohibit the “Planning Vendor” from bidding on the System Development work resulting from the Feasibility Study and Implementation Contractor RFP. It is typical for States to allow the Feasibility Study Vendor to remain also eligible to bid on follow-on work such as Business Process Reengineering, Quality Assurance, Staff Augmentation, Project Management, and Independent Verification and Validation services. Will the State allow the successful Feasibility Study ‘Planning Vendor’ to remain eligible for these support services? Section 3, page 12

Answer to Question 15: ~~Yes Vendors can bid on the other OCSS projects referred to.~~

THE CORRECT RESPONSE TO QUESTION 15 is: No.
